

Registration Types

Please review the registration types PRIOR to registering for the meeting. If you register under the incorrect category, you are subject to a \$75 processing fee to change your registration type.

Registration Types include Member, Trainee Member, Trainee Nonmember, Nonmember, Non-Doctoral Member, and Non-Doctoral Nonmember

Member: To register as a member, you must be a current doctoral member of AST, ASTS, or both societies. This membership category includes MD, PhD, PharmD, DO or equivalent doctoral degrees only. Non-doctoral degree holders should register under the Non-Doctoral Member category. Your membership dues for the current year must be paid no later than April 1, 2014. After April 1, you are not eligible for the member rate and must register as a non-member. No other society member types qualify except AST or ASTS.

Nonmember: If you are a doctoral degree holder (MD, PhD, PharmD, DO or equivalent) with no membership affiliation to ASTS, TTS or AST, you should register as a non-member.

Trainee Member: You must be a current trainee member of either ASTS, TTS, or AST to register as a trainee member. Your membership dues for the current year must be paid no later than April 1, 2014. After April 1, you are not eligible for the member rate and must register as a trainee non-member.

Trainee Nonmember: If you are not a member of ASTS, TTS, or AST, but you are a medical student/resident studying under a program director, you should register as a trainee non-member. To register under this category, you MUST provide proof of your status as a medical student/resident. A signed letter from your program director must be sent no later than July 18, 2014.

When you complete your registration, you will receive an email containing a link to upload your signed letter online. Please do not email or fax letters. Your registration **WILL NOT** be complete until this letter is submitted via email to Stephanie Zuba at szuba@wtc2014.org and she confirms that your letter is received. If you fail to provide the letter by this date, you must bring it with you onsite to the meeting. If you do not have the letter with you onsite, you will be responsible for paying the non-member registration rates for the meeting. No exceptions will be made.

Non-Doctoral Member: Members of ASTS, TTS, or AST, who hold non-doctoral degrees are eligible to register under this category. This category includes the following occupation types:

- Research Assistant
- Nurse
- Physicians Assistant
- Transplant Coordinator
- Transplant Administrator
- Lab Technician
- Pharmacy Technician
- Other Allied Health or Pharmacy Occupations

Non-Doctoral Nonmember: Those who fall under one of the occupation types above (under non-doctoral member) but have no membership affiliation with ASTS, TTS, or AST, should register as a non-doctoral non-member.

If you are still unsure what category you should register under, please contact us BEFORE registering to avoid choosing the incorrect category and paying the change fee.
